## Expressions of Interest: Art / Design for Eastern Maar Team

### *a visual representation for our Guardians*

Eastern Maar Citizens are invited to submit new or recent artworks or design concepts for use as the Eastern Maar On Country Guardians logo. The successful piece/design for the logo will; be made into a badge/patch that will be part of the Guardian uniform; be used on vehicle advertising; utilised in media, marketing, and communications (flyers, posters, website, Facebook, reports, and more). It will be a visual representation of our Guardians.

The work/design should:

- Reflect the cultural elements of Country and Eastern Maar culture.
- Demonstrate a connection with Eastern Maar Country, with the use of biocultural species of either plants and/or animals, mountains, ocean or waters.
- Where possible, the colours red, black, yellow &/or white be used, as these colours are symbolic of the totemic moiety species the Sulphur Crested Cockatoo and Red-Tailed Black Cockatoo.

We encourage the design to be bold and uncomplicated.

The successful piece /design will be acquired by EMAC and placed on display in our main office.
